## AD News Justin Ohm, AD

The basketball season is officially underway with practices that started this week. The coaches are excited to start another year of Raider basketball. Thanks to all the parents that made it to the preseason basketball meeting. If you were unable to make it you will have to look online for your family's assigned slot for helping with the home basketball games. The website is [www.crownoflifemn.org](http://www.crownoflifemn.org). Scroll down towards the bottom of the homepage and click on the "volunteer" link. From there you will find the basketball helpers sheet and can make note of the date and time you are scheduled to help.

Remember to check the Raider Review and the basketball calendar for any updates or changes in the schedule. Each week, before that Friday's game, a reminder chart will be put in the Raider Review showing which family is up for working that game. Also, if you are not receiving basketball group text messages from Mr. Ohm make sure he has your current cell phone number. Updates and changes that happen on short notice will be sent out via the text group (for example if a practice or game has to be cancelled or postponed due to weather).

The first regular season game is next Friday; COL will host Christ Lutheran in the first league game. Game times can be found on the online basketball calendar. If you have any questions contact Mr. Ohm. Good luck to all our teams this year. We pray God blesses our teams and grants us a fun, successful and memorable season.

**Special Reminder:** there will be an optional B team (boys and girls) practice tomorrow during conferences. The girls B team will practice from 11:30 – 12:30 and the boys B team will practice from 12:30 – 1:30, for those who can make it. Please note the gym is reserved for the players only; any other students who may be at school during conferences at those times are asked to stay out of the gym.
