AD News Justin Ohm, AD

This past Friday COL hosted Mt. Olive, Delano in the second regular season game. The scores from the games are as follows: Girls B (lost 12-21), Boys B (lost 28-37), Girls A (lost 9-26) and Boys A (won 48-15).

No games this week. The players have a little break, but shouldn't forget to keep that ball in their hands and work on their game over Thanksgiving. Dribble in the driveway, keep conditioning by running around the block, or find a park with a hoop and shoot some baskets.

Next week is our third home game in a row. All games will start an hour earlier with different schools coming to play against us. More information will be shared in next week's Raider Review, and can also be found online.

A Request to All Families Who Come to Cheer on Our Teams During the Games – please encourage your child(ren) to watch the games and cheer on the teams instead of running the hallways and staircases. Items have been spilled and/or mistreated over the course of the last two home games. We want the children to be safe and not hurt themselves or others around them. It's unfair to expect our hall monitors to supervise everyone's children; they are there to offer assistance to anyone who may need it or who have a question. Please supervise your child if they are not in the gym, especially when they are upstairs at concessions. Also, students should not be dropped off and left unsupervised during the games unless arrangements are made for another parent to be in charge. Thank you for your help in this matter - the school and our hall monitors greatly appreciate it!
