THANK YOU to all the helpers we had during our home games this season! Whether you were behind the concession tables, keeping clock or doing book, you made our home games enjoyable and a great success. A special thanks to Adam Brigham for helping with concessions every night, all night, by making sure transitions between games ran smoothly and assisting with the clean up each night. Also, thank you to all the faculty members who served as our hall monitors each night. It was a fun home game season!
