PTN News

Box Tops for Education is celebrating 20 years of helping schools. Let's make this our best year and break all the previous records! Box tops can be brought to the school at any time and placed in the collection box in the narthex or given to the classroom teacher. Thank you to everyone for taking time to collect these. The funds earned are used by PTN throughout the year to help with field trips, lyceums, and special events.

Kwik Trip Caps Program – COL collects Kwik Trip bag tops and caps. They are worth 5¢ each for our school. There is a collection box in the narthex information center.

Prayer Partners is a wonderful program that matches each of our COL students with an adult in our congregation. This match-up provides an opportunity to use letter-writing skills, exchange thoughts about what school was like then and now and encourage our children to pray for others. The PTN-sponsored letter writing day will be held on Friday, September 23rd. We need 5 volunteers to help that day from 8:30 – 11:00 a.m. All materials will be prepared and ready to go. We need volunteers in the classrooms to help the students with their letters and answer any questions they may have. We'll also prepare the letters for mailing that morning. If you're able to help or have questions about the program, please contact Leslee Yoder at lyoder@g.com or [612-616-8594](tel:612-616-8594) (text or call).

Looking for Art Adventure Volunteers! – Any parent interested in volunteering as a "Picture Person" for the Art Adventure program in January should contact Mrs. Danner at rdanner@colwsp.org or 651-451-3832 ext.117. This program teaches art appreciation and critical thinking skills to our students in grades PreK-8. The time commitment involves 1 hour of classroom time per week for 3 weeks, plus the required 2 ½ hour training session at the Minneapolis Institute of Arts (scheduled for the evening of October 27 or November 10, and the morning of October 25 or November 2).
