Girls B: 0-2
Boys B: 1-1
Girls A: 1-1
Boys A: 2-0

This Friday three different schools will travel to COL to take on the Raiders. Game times have been moved up one hour from the usual start time. The girls B team will play against Legacy Christian Academy starting at 4:30. Next, the boys B team will take on Berea at 5:30, followed by Berea's girls A team at 6:30. The last game of the evening will be the boys A game against the St. Croix Middle School at 7:30. The **cheerleaders** will be cheering at the first two games of the evening (4:30 and 5:30). A supervised study hall will be provided right after school until the game at 4:30 for any girls B team players and cheerleaders (no siblings).

A special note concerning Berea's girls A team: Berea's AD informed us that due to a recent injury of one girl (broken wrist) and a family situation for two other girls, Berea's girls A team will be down to just 5 players. They have one boy who will be having surgery over winter break and would like to play his last month before the surgery. They have told us he is no bigger or stronger than any of the 8 grade girls. Since Berea will have no other subs and since they do not have a boys A team, they have asked if we would let him play in the girls A game. The coaches and AD's have agreed to allow this exception considering the circumstances. Thanks for your understanding. Below are the helpers assigned for this Friday's games.

A Request to All Families Who Come to Cheer on Our Teams During the Games – please encourage your child(ren) to watch the games and cheer on the teams instead of running the hallways and staircases. Items have been spilled and/or mistreated over the course of the last two home games. We want the children to be safe and not hurt themselves or others around them. It's unfair to expect our hall monitors to supervise everyone's children; they are there to offer assistance to anyone who may need it or who have a question. Please supervise your child if they are not in the gym, especially when they are upstairs at concessions. Also, students should not be dropped off and left unsupervised during the games unless arrangements are made for another parent to be in charge. Thank you for your help in this matter - the school and our hall monitors greatly appreciate it!

The PTN would like to say thank you to all who participated in the **Schwan's Cares Fundraiser** this fall. The money raised helps pay for the many events that PTN sponsors for the faculty, students, and families throughout the school year. Without your support, these events wouldn't be possible. Remember, you can continue to support this fundraiser all year when you enter our code when ordering - **Campaign ID 22243**. **Thank you again from the Crown of Life School PTN!**
