Bowling: This Saturday (May 19) the COL bowling team will compete in their end of the season league tournament held at Apple Place Bowl (14917 Garrett Ave, Apple Valley, MN 55124) beginning at 11am. The bowlers are asked to be there at 10:30 for team prep. Our COL A1 team goes into the tournament with a record of 9-1 which puts them 2nd in the league. They also have a league best game high score of 184! The COL A2 team was not far behind, finishing their regular season play in 4th place of 13 teams with a record of 7-3. Congratulations to our teams for a successful season and good luck to the Raiders as they bowl in their tournament!

Track: Today is the final track practice at St. Croix and will be reserved for those track runners who are competing in tomorrow's conference championship track meet. There will be a bus to transport the athletes over to St. Croix for practice today. We haven't heard from St. Croix yet about transportation plans for Thursday's meet. Please keep an eye out for an email or text with more information. Thank you to all the athletes for making the track season a blast to watch and cheer for, and for your dedication to the team. There certainly was a lot of progress and skill development shown from one meet to the next. Come cheer on those track athletes who will be representing COL's track team at tomorrow's conference meet. The meet is held at St. Croix and will begin around 4:15.

As the school year comes to a close and summer begins, don't forget the importance of staying active. Continue to practice the skills of the sports you plan on participating in next year at Crown of Life. A great way to do this is to attend camps that emphasize skill development and not just game play. Having game experience is important, but learning the proper fundamental skills is critical. St. Croix offers a variety of skills camps for all sports. Pamphlets can be picked up in the office or you can find more information on St. Croix's website.
