AD News *Justin Ohm, AD*

It may not look like it outside, but the spring sports season is right around the corner. We pray that the weather starts to recognize that fact as well. The schedule for the track and bowling seasons are currently being worked on. The goal would be to start the bowling season after the students return from spring break. The track season may need to wait a bit yet due to weather. More information about the seasons' schedules will be shared as soon as it is made available to the ADs.

In the meantime, a final sign-up sheet for both track and bowling will be made available in the lunch room next week. Students in grades 5-8 who are interested in joining the bowling team should put their names down on the sign-up sheet. Likewise, students in grades 4-8 who would like to be a part of the COL track team should write their names down on their sign-up sheet as well. The fourth graders' participation on the track team will be on a limited basis. More information about those details will be sent home at the start of the track season.
