## **AD News** *Justin Ohm, AD*

**BOWLING:** COL's bowling team completed their season with their end of the year league tournament this past Saturday. The COL A-1 team took third place in the tournament and 1<sup>st</sup> place in regular season play. The A-2 team finished 3<sup>rd</sup> during regular season match play. The B team finished their league play in 2<sup>nd</sup> place and also brought home the 2<sup>nd</sup> place trophy at the tournament. Congratulations to our teams! Also, thank you to Coach Swiderski for heading up our bowling team again this season, and to all the coaches that pitched in along the way. It was a fun and successful season!

**TRACK:** The track season concluded last Thursday with the Conference Championship at St. Croix. **This Friday, after Matins, the track athletes will be recognized and receive their ribbons that they won from their participation in the Lutheran Metro Meet and the Conference Championship.**

The COL track team had a great season. It was great to see how each athlete improved throughout the season. Thank you to Mr. and Mrs. Plath for your dedication and encouragement you showed during every practice and meet.

If you haven't turned in your St. Croix track jersey, give it to Mr. Plath by this Friday. Also, please have it labeled so Mr. Plath can keep track of who turned theirs in. Thanks!

**END OF THE YEAR:** As we wrap up another year of sports at Crown of Life, a big thank you goes out to all who helped out this past school year, whether it was coaching, helping with concessions or other duties during our home games or simply cheering on our teams.

Thank you to all the athletes for your dedication, sportsmanship, and competitive spirit that made each season successful and enjoyable to watch and cheer for.

St. Croix offers great camps to improve skills and coordination in a variety of sports. Make sure to check out their camp pamphlet or locate a sports camp/league in your community. Stay active this summer and keep building on the skills learned this past year in order to improve your level of play for next season.
